Hemostasis Valves

FLO50™

Material: Polycarbonate
Inner Lumen: 9F (.120")
Valve Material: Silicone Luer: Rotating

FLO50™ Tuohy Borst
French Size: 9F

504284001

DoublePlay™

Material: Polycarbonate
Inner Lumen: 9F (.120")
Valve Material: Silicone Luer: Rotating

French Size: 9F, Tubing Extension:
No Tubing Extension, Tubing Material: No
Tubing Material, Brand: DoublePlay™

501075001

MBA™

Material: Polycarbonate Inner Lumen: 9F (.118")
Valve Material: Silicone Luer: Rotating

Large Bore Dual Seal
Hemostasis Valve

500981002

Hemostasis Valve with 10"
PVC Tubing Extension

501086001

AccessPLUS™

Material: Polycarbonate Inner Lumen: 9F (.120")
Valve Material: Silicone Luer: Rotating

Large Bore Hemostasis Valve
500628002

Large Bore Hemostasis Valve with
12" PVC Tubing Extension
563010001

Large Bore Hemostasis Valve with
6" Polyurethane Tubing Extension
563009001

Access-9™

Material: Polycarbonate Inner Lumen: 9F (.120")
Valve Material: Silicone Luer: Rotating

Access-9™ Large Bore Double Y
Hemostasis Valve
French Size: 9F
500366002

Passage™

Material: Polycarbonate Inner Lumen: 7.5F (.097")
Valve Material: Silicone

VALVES

Hemostasis Valve with Rotating Luer
Inner Lumen: 7.5F (.097")

500066

Hemostasis Valve with Slip Fit
(.179" to .209" taper)
Inner Lumen: 7.5F (.097")

K12-00457P

Honor™

Material: Polycarbonate Inner Lumen: 7.2F (.094")
Valve Material: Silicone Luer: Rotating

Hemostasis Valve

580195001

Hemostasis Valve with 8" Tubing Extension

MAP350

Tuohy Borst Valves

FLO30™ Tuohy Borst
French Size: 9F

FLO30P

FLO40™ Tuohy Borst
with side port
French Size: 9F

580335001

FLO40X™ Tuohy Borst with
side port tubing extension
French Size: 9F,
Tubing Extension Material:
DEHP-Free PVC

580334001

FLO 40XR™ Tuohy Borst with 6"
extension tubing and rotating luer
French Size: 7.3F,
Tubing Extension Material:
DEHP-Free PVC

580478001

Hemostasis Valve Adapters

Material: Polycarbonate Valve Material: Silicone
Cap: ABS Handle: Acetal
